Chapter 1 by Nini Reyes

1 hour Earlier:

While Hitler gave his speech he said (an actual quote from Adolf Hitler): "I don't see much future for the Americans ... it's a decayed country. And they have their racial problem, and the problem of social inequalities ... my feelings against Americanism are feelings of hatred and deep repugnance ... everything about the behaviour of American society reveals that it's half Judaized, and the other half nigrified. How can one expect a State like that to hold together?"

Colonel Claus Stauffenberg plotted on how to make this bomb without nobody knowing.

" Shit, this wont work either". " Colonel, Hitler is waiting for you". (Colonel thinks: this is the perfect time to set up the bomb.) " YOU IDIOT, can't you see I'm working! Leave... NOW!" (soldier thinks: what happened to him?) " "Yes sir, sorry sir."

Meanwhile back to Hitler's speech, " To conquer a nation, First disarm it's citizens".

" Finally! It's ready. Now where to put it? Under the stage of course."

While Colonel Claus Stauffenberg was in the stage the soldier came back to let

him know Hitler want him. " Colonel, Hitler is waiting for you".

" Colonel? Are you in here? Hello, where is he? Well right as well let Hitler know."

1 hour later:

There was a search party for the colonel but nobody could find him. Nobody knew that the colonel placed the bomb and was hiding in a safe place.

"There, it's in place."

"3... 2... 1... NOW!"

BOOM!!!

Not knowing that Hitler already left, there were still about 15 people still in there. People evacuated very quickly. The majority was jews which was 9, and 6 guards. 2 guards had serious fatal injuries and 6 jews were dead.

The search was on... Until... They found a bunch of evidence that lead to the Colonel. While they searched for the colonel, one of the soldiers found the colonel fleeing to America using a boat used by Hitler himself. Not knowing that there would still be guards on board the colonel ran out the boat as fast as he could. Until...

"Traitor!" The colonel was now trapped and scared. "Hault!" (Colonel thinks: this is the end). About 10 guards grabbed the colonel. "You Tried To Kill Me Colonel Claus." "I know Hitler." "WHY?" "You Killed My Wife!" " So what, SHE WAS A JEW!!!" " You haven't heard the last of me Hitler. I will be back!!!!"

The guards took Colonel Claus to prison. He was accused of a murder attempt.

1 year later:

" It's over, the war. Hitler what do we do, we lost." "Shut up." " Hitler, sir?" "What!?" " The colonel was right he would be back." "What do you mean soldier? Where is the colonel?" "You don't remember?" " No I don't, TELL ME NOW!" " He was released two day ago, and he joined the

American's army. He killed most of our men sir, what do we do?" "WHAT!!!! A moment of silence for no reason." Find that... See more of Story Wars
